Thaivisa Car Insurance covers all types of insurance from first class cover to the basic CTPL insurance that is a government requirement.

TYPES OF CAR INSURANCE

No matter how well YOU drive, how often you drive or what distances you cover, at some point in time you will need the benefit of Auto insurance. You may be the best driver in the world, unfortunately that means that everyone else isn't, therefore the likelihood is that an accident will happen.

We select not only the companies that provide the best level of cover, but also the ones that deal with accidents and claims, quickly and efficiently.

Compulsory - This is the government insurance and is a minimum requirement for owning a car. Covering life and injury of driver, passengers and third party. The cover however is very basic and if you do have an accident then be prepared to pay. Worse still if you are involved in a serious accident then you could well end up in jail as there is no bail bond to this insurance. Read more...
