

About us

The Future of Insurance

Thaivisa Insurance / AA Insurance Brokers is run by a team of experts with many years experience in the insurance field, both here and abroad. Our clients extend throughout the world and range from housewives to international corporations. Our motto is....if it can be insured we will insure it. We strive to get the very best cover at the most cost effective price for our clients.

Thaivisa Insurance / AA Insurance Brokers works in partnership with both the leading International and local insurance companies and combines high quality service with excellent value for money. Arranging insurance for home, condo, car, motorbike, health and life is all in a days work for us... Days which we dedicate to making sure your domestic and business life remains as hassle free as possible.
