

Travel Insurance

Cover your next trip with Thaivisa Travel Insurance, whether its 3 days or 6 months, we have the cover that will suit your needs.

Why Buy Travel Insurance?

The answer is easy. Whether you travel for business or pleasure, international travel involves risk. You may arrive at your destination to find that your luggage with personal items has disappeared. A personal emergency may necessitate your early return to your Home Country. A medical emergency may require hospitalization or even air evacuation. In most cases, your existing insurance will not provide adequate protection for these and other risks. Without appropriate travel insurance, you may be in jeopardy of significant financial liability. Thai Visa Insurance can't take the risk out of travel, but if the unforeseen happens, we will be there to help you.

Below is an example of our packages available, if you require something extra to be covered please contact us for a customised policy to suits your requirements.
